

DUES DEDUCTION AUTHORIZATION

I hereby authorize and direct each of the various employers party to the Collective Bargaining Agreement between Northwest Line Constructors Chapter of the National Electrical Contractors Association and the International Brotherhood of Electrical Workers, (AFL-CIO) Local Union Nos. 77, 125, 483 and 659, to deduct from my pay working dues in the amount set forth in the Bylaws of Local Union 125, and to pay same to said Local Union in accordance with the terms of the Bargaining Agreement between the Employer and the Union.

When working outside the jurisdiction of Local Union 125, the Employer is authorized to deduct working dues in the amount set forth in the Bylaws of the Local Union where the work is performed and to pay same to that Local Union.

This authorization is voluntarily made in order to pay my fair share of the Union's cost of representing me for the purposes of collective bargaining, and this authorization is not conditioned on my present or future membership in the Union.

This authorization shall be irrevocable for a period of one year from the date hereof or until the termination date of said Agreement, whichever occurs sooner, without regard to whether I am a member of the Union during that period, and I agree that this authorization shall be automatically renewed and irrevocable for successive periods of one year unless revoked by written notice to you and the Union within the ten (10) day period prior to the anniversary of this authorization. I understand that under current law the payments covered by this authorization are not deductible as charitable contributions for federal income tax purposes.

Copies of this authorization shall be treated as valid as the original.
